1. **TERMS OF AGREEMENT:** The term "Company" as used herein shall mean American Air Filter Company, Inc. d/b/a AAF International, its parent company, subsidiaries, affiliates and related entities. The term "Buyer" as used herein shall mean the party purchasing the Products from Seller as provided herein. The sale, shipment and delivery by Company of Products shall be subject only to and governed exclusively by the terms and conditions set forth herein. The term "Products" means the materials, equipment or services furnished by the Company to the Buyer hereunder. **THE ACCEPTANCE OF ANY OFFER MADE BY COMPANY IS EXPRESSLY LIMITED TO THE TERMS AND CONDITIONS CONTAINED HEREIN.** Submittal of any further purchase documents by Buyer, or execution of this offer by Buyer, or allowing Company to commence work, shall be deemed an acceptance. **ANY ACCEPTANCE BY COMPANY IS MADE EXPRESSLY CONDITIONAL UPON THE BUYER'S ASSENT TO THE TERMS AND CONDITIONS SET FORTH HEREIN.** Any additional or differing terms and conditions contained on any documents prepared or submitted by Buyer, including but not limited to those contained in Buyer's drawings and specifications (whether or not such terms materially alter these terms and conditions), are hereby rejected by Company and shall not become part of the agreement between Buyer and Company.

2. **PRICE POLICY:** Prices of the Products are subject to change without notice and may be increased depending on the date of release and/or shipment of the order, announced increases in the Company's list prices, or increases in labor, fuel, shipping, and material costs.

3. **TERMS OF PAYMENT:** Terms of payment are subject at all times to prior approval of the Company's credit department. Terms of payment are net thirty (30) days from date of invoice unless previously otherwise agreed in writing. If at any time the financial condition of the Buyer or other circumstance affecting the credit decision, in the Company's opinion, does not justify continuance of production of Products or shipment of Products on the terms of payment specified, the Company may require full or partial payment in advance, or may at its sole discretion stop or delay production or shipment of Products. In the event of default in payment, Buyer agrees to pay all costs of collection incurred by Company including but not limited to collection agency fees, attorney fees and court costs. All past due amounts shall bear interest at the highest rate allowed by law.

4. **SHIPPING TERMS:** Unless otherwise agreed in writing by Company, all Products shall be delivered EXW (Ex Works) Company's designated delivery point, in accordance with Incoterms® 2000. The responsibility of the Company for all shipments ceases upon delivery of Products in good order to designated delivery point. Company may ship the Products in one or more lots; such lots may be separately invoiced and shall be paid for when due per invoice, without regard to subsequent deliveries. Shipment dates are estimates only and indicate the date the Product is scheduled to ship from Company's factory. No contract has been made to ship in a specified time and any "time is of the essence" clause or language and claims for backcharges are specifically rejected. Delay in the delivery of Products hereunder shall not relieve Buyer of its obligation to accept and pay for Products under any other agreement or purchase order. If delivery as originally scheduled is delayed by Buyer, Company may invoice Buyer and store the Products at Buyer's expense.

5. **CLAIMS RELATED TO DELIVERY:** Claims for concealed damage must be reported to Company in writing within one (1) business day following delivery and must be accompanied by photographs of such damage. Claims for visible shipping damage must be reported to Company in writing within ten (10) business days following delivery and must be accompanied by a carrier proof of delivery that has been signed and indicates the damage at the time of delivery; damaged Products and packaging materials must be held at the delivery site. Buyer will be liable for a 25% restocking fee and freight charges for wrongful refusal of a shipment due to Buyer's error. Company is not liable for any damage, shortages, and errors for collect/will-call shipments.

6. **CLAIMS RELATED TO DEFECTS AND NONCONFORMANCE:** Buyer shall have ten (10) days from the date Buyer receives any Products to inspect such Products for any other defects and nonconformance (which are not due to damage, shortage or errors in shipping under Section 5 above) and notify Company, in writing, of any defects, nonconformance or rejection of such Products. If Buyer does not notify Company within such ten (10) day period, Buyer shall be deemed to have irrevocably accepted the Products. After such acceptance, Buyer shall have no right to reject the Products for any reason or to revoke acceptance. The sole and exclusive remedy for Products alleged to be defective in workmanship or material shall be the replacement of the Products subject to the Company's inspection and Limited Warranty.

7. **TAXES, CUSTOMS & DUTIES:** The amount of any present or future taxes, customs and duties applicable to the Products shall be added to the price contained herein and paid by Buyer in the same manner and with the same effect as if originally added thereto. Company shall have the right to invoice separately any such tax, customs and duties that may be imposed at a later time.

8. **CANCELLATIONS AND CHANGE ORDERS:** Buyer may not cancel or terminate for convenience, or direct suspension of production without the Company's written

consent and then only upon terms that will compensate Company for any and all costs, lost profit, overhead and similar costs and expenses of every kind associated therewith. Company shall have the absolute right to cancel or suspend performance under this agreement upon breach by Buyer, failure by Buyer to make payment required by this agreement, any purchase order or any other agreement, or the insolvency or bankruptcy of Buyer. Change orders are only effective when agreed to in writing signed by both parties and may result in additional costs to Buyer.

9. **RETURNED GOODS:** Products may not be returned except by prior authorization from the Company. Unauthorized returns shall be automatically refused. Buyer may return, at its sole cost and expense, any standard stock Products with a twenty five (25) percent restocking charge if: (i) Product is in new condition, suitable for resale in its undamaged original packaging and with all its original parts; and (ii) Product has not been used, installed, modified, rebuilt, reconditioned, repaired, altered or damaged; provided, in no event shall Buyer be entitled to return Products more than thirty (30) days following delivery. Specially fabricated Products, nonstandard stock Products, and obsolete and discontinued Products may not be returned unless sent to Buyer as a result of an error by Company. Credits for returns not in accordance with (i) and (ii), above, shall be subject to the following deductions: (a) cost of putting items in salable condition; (b) transportation charges, if not prepaid; and (c) handling and restocking charges. Company reserves the right to inspect all returned Products and issue final determination upon receipt.

10. **DELAYS:** If Company suffers delay in performance due to any cause beyond its control, including but not limited to acts of God, war, act or failure to act of government, terrorism, act or omission of Buyer, fire, flood, strike or labor trouble, sabotage, substantial increase in energy costs or the cost of materials, or delay in obtaining from others suitable services, materials, components, equipment or transportation. Company shall not be liable for any costs or expenses associated with such delay and the time of performance shall be extended a period of time equal to the period of the delay and its consequences; Company shall give to Buyer notice in writing within a reasonable time after Company becomes aware of any such delay.

11. **LIMITED WARRANTY:** The Company warrants that it shall, at its option, repair, replace or provide replacement parts in the event any Product manufactured by the Company and used in the United States or Canada which upon inspection it finds to be defective in material or workmanship for a period of twelve (12) months from initial startup or eighteen (18) months from date of shipment, whichever expires sooner; provided, Buyer provides written notice to Company within a reasonable time after discovery. Products not manufactured by the Company but also sold under this agreement are not warranted by Company, but are sold only with the express warranty, if any, of the manufacturer and only to the extent transferable.

In the event Company performs on-site services for or on behalf of Buyer, Company warrants that such services will be performed in a professional and workmanlike manner ("Service Warranty"). Buyer's sole and exclusive remedy against Company for a breach of the Service Warranty shall be, at Seller's option, to either refund to Buyer the amounts paid for such services or for Company to re-perform the allegedly defective services.

The Company's warranty does not apply to any Products or parts which: (1) have been opened, disassembled, repaired, or altered by anyone other than the Company or its authorized service representative; or, (2) have been subjected to misuse, misapplication, negligence, accidents, damage, abuse, improper storage, or abnormal use or service; or, (3) have been operated or installed in a manner contrary to Company's printed instructions; or, (4) have been installed in an incorrect or improper application; or, (5) have become corroded or subjected to abrasion, or (6) have been subject to other than normal wear and tear. This warranty and any optional extended warranties are granted only to the original user. Company's duty to perform under this or any warranty may be delayed, at Company's sole option, until Company has been paid in full for all Products or parts purchased by Buyer.
